Training and development of our Trainee Accountant

At SNG Grant Thornton we aim to give our trainee accountants the best training programme. To achieve these standards, our trainee accountants are supported by:

- Cutting-edge audit methodology and technology;
- Continuous collaboration with colleagues working locally in our offices and internationally;
- Thought leadership publications, seminars, workshops to keep you abreast with the latest news and updates about the profession;
- Payments for first attempt of board exams;
- Study leave in order to prepare for exams.

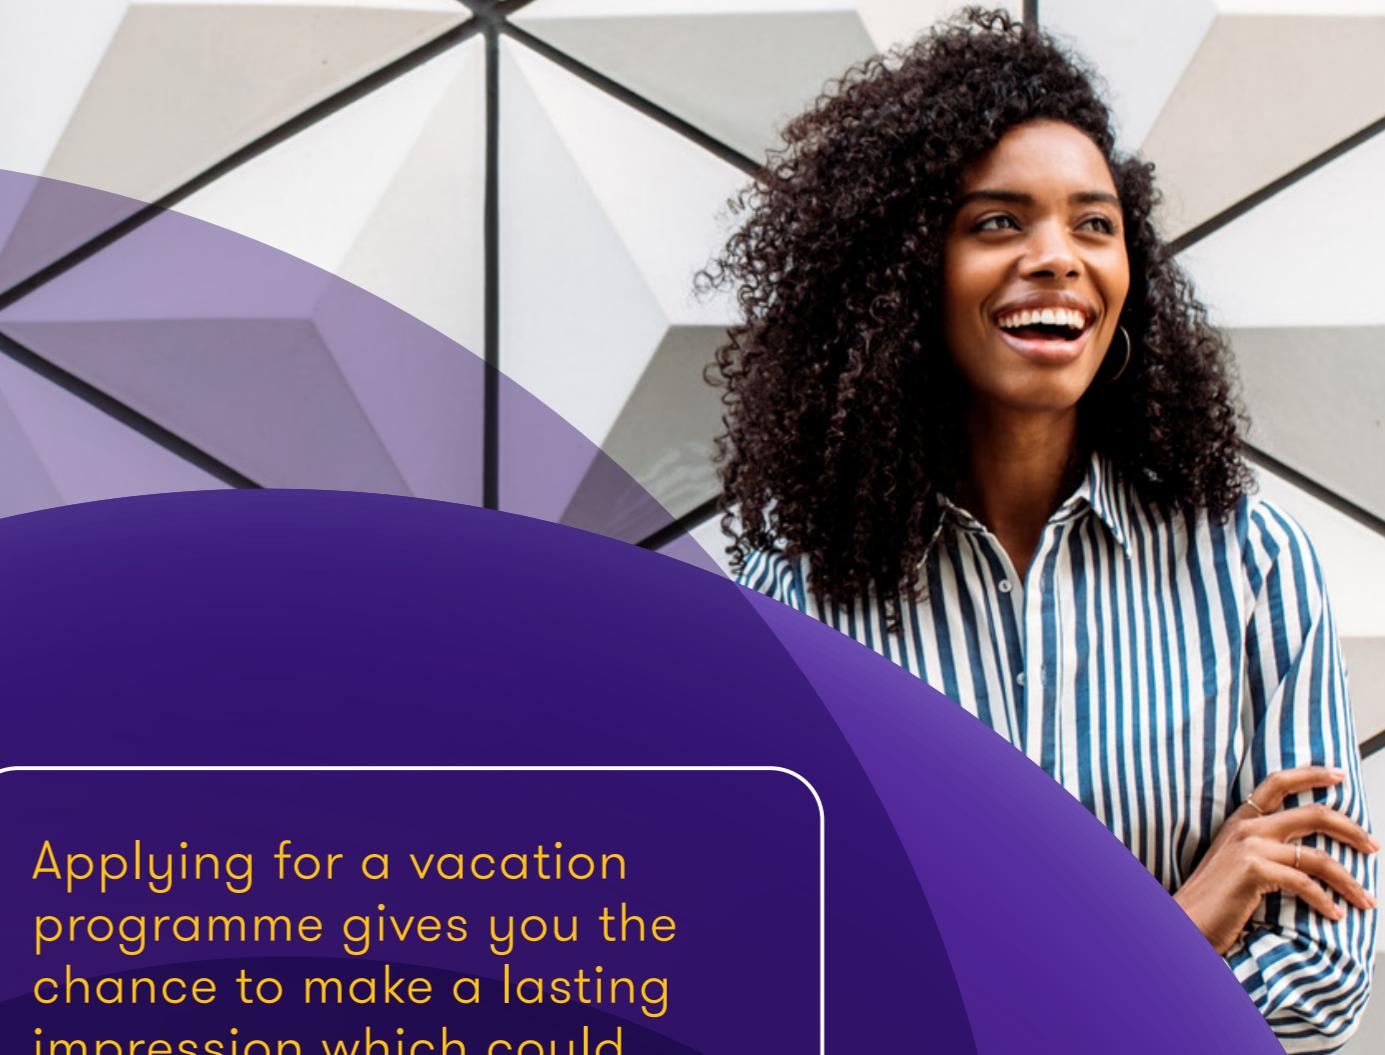

Vacation Programme

SNG Grant Thornton Vacation Work is at least a weeklong programme offered during the June/July University holiday's period.

The programme gives you the opportunity to gain practical experience and exposure to the day to day activities of an Audit, Tax and Advisory firm. The vacation programme is also a good way for us to get to know you. To be offered a training contract is competitive, which is why you're encouraged to apply early.

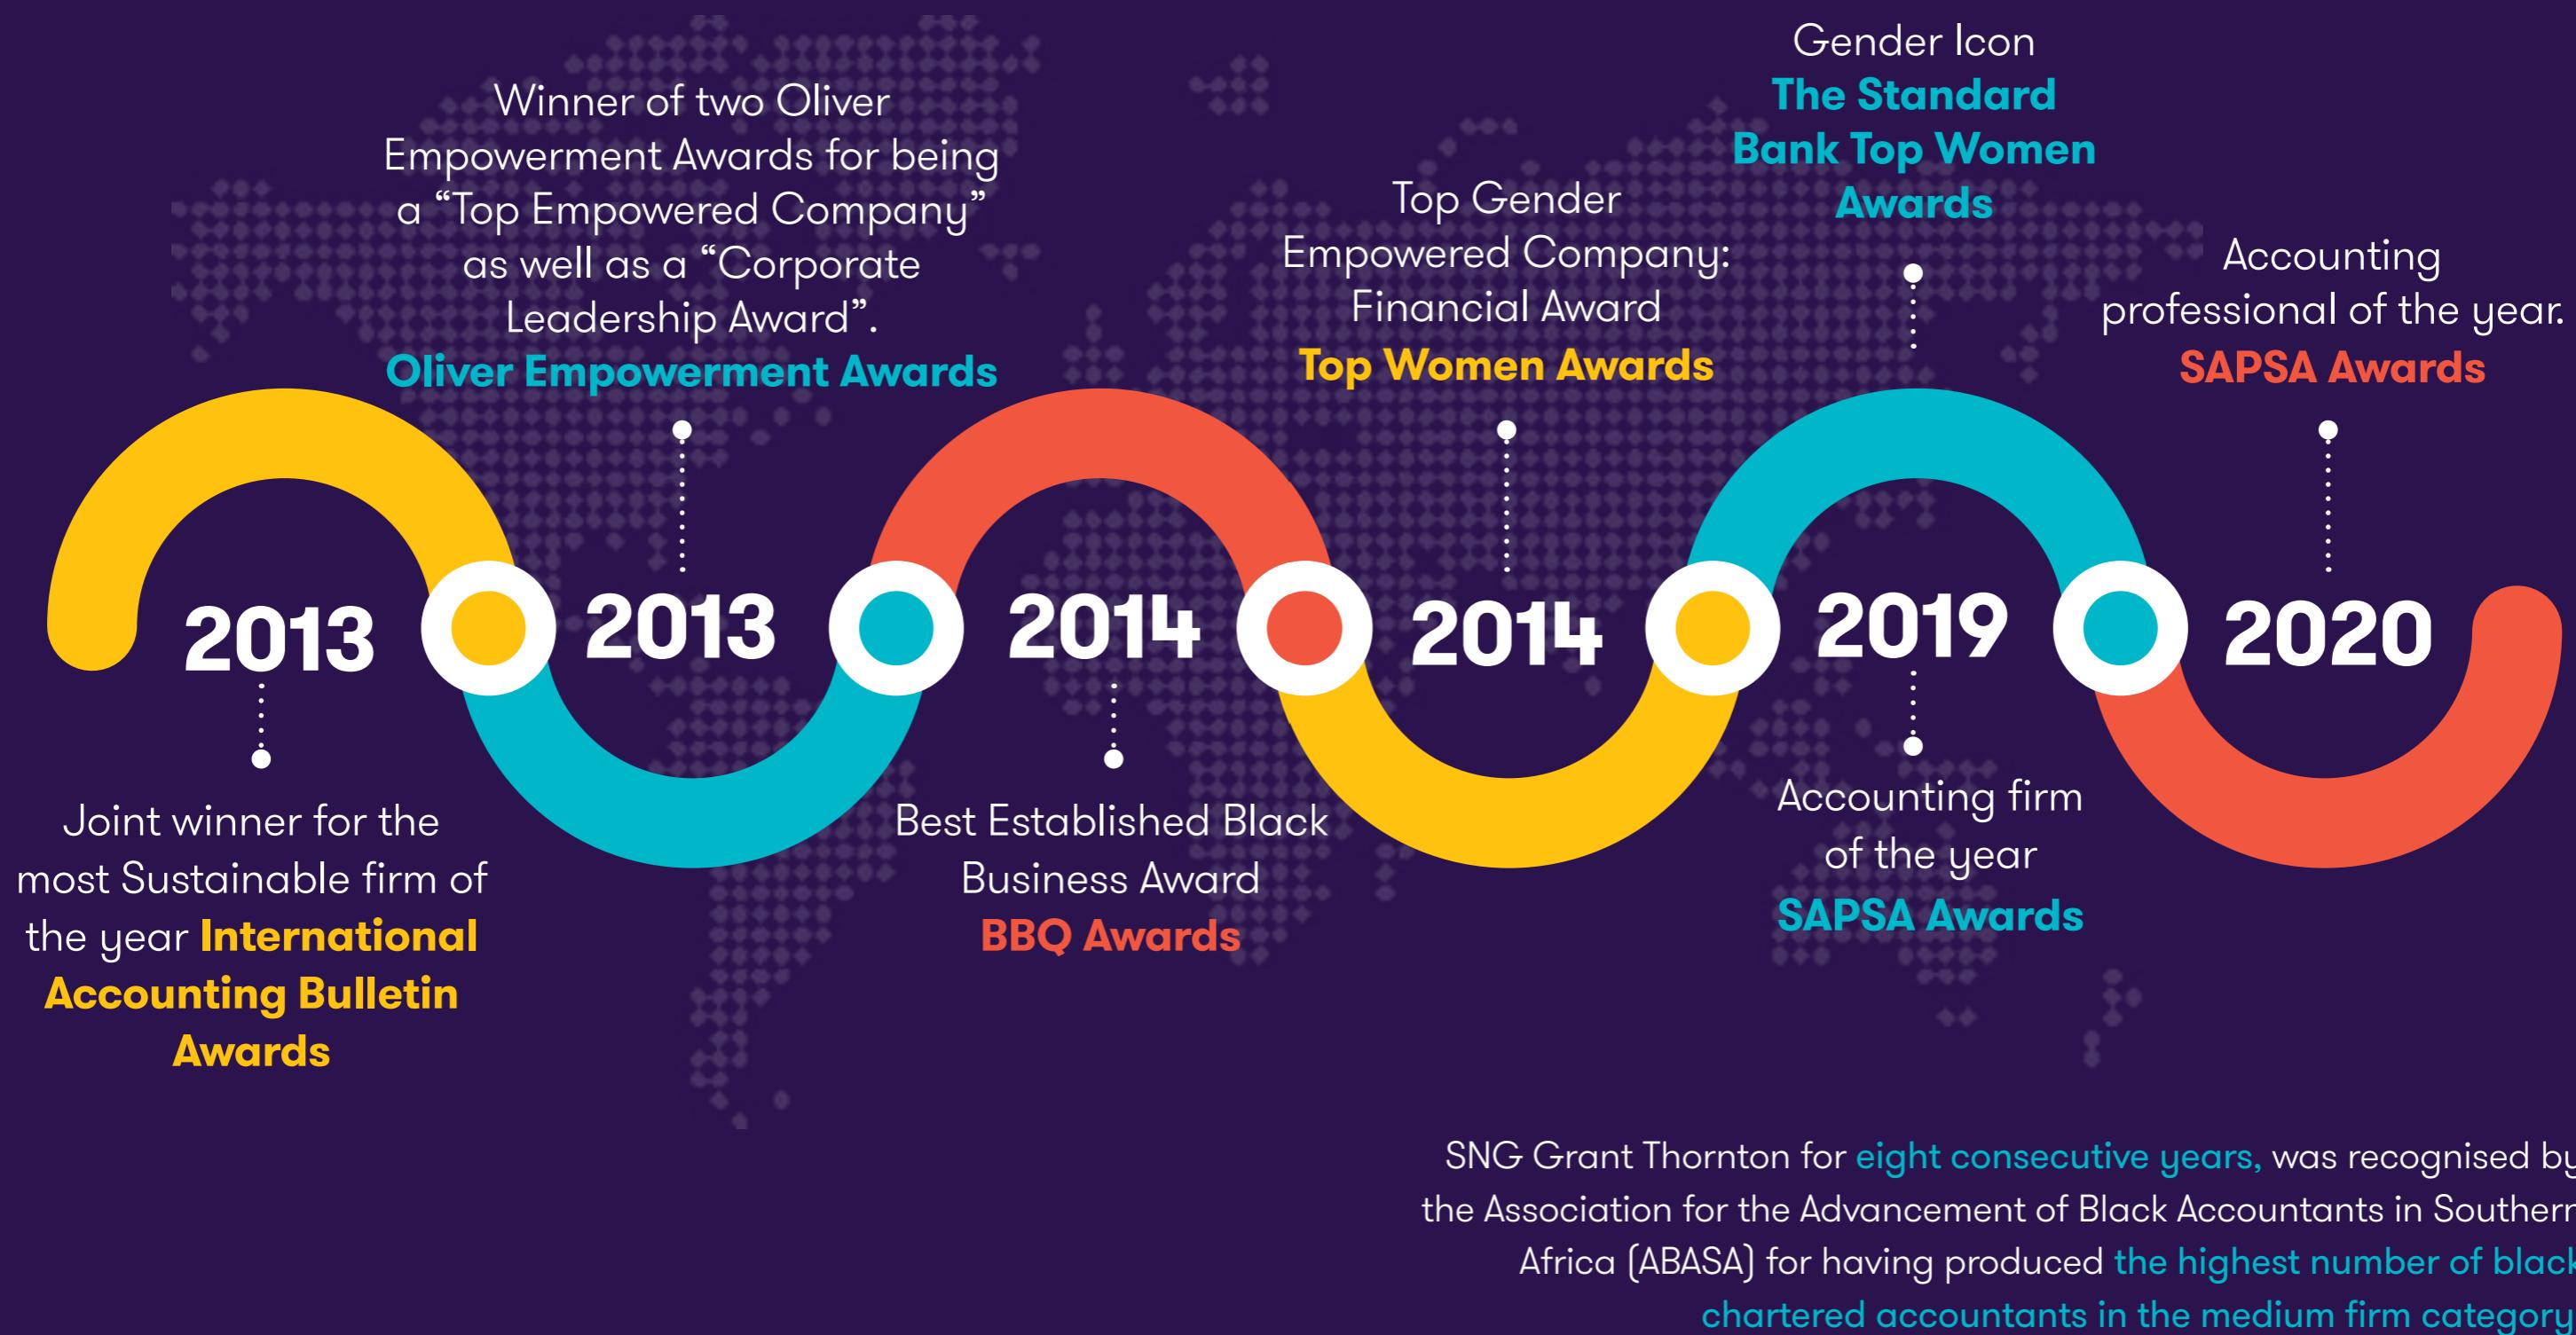

Applying for a vacation programme gives you the chance to make a lasting impression which could potentially lead to you be successful and be offered a training contract.

Secondment/ Mobility Programme

As SNG Grant Thornton grows, so does the need for qualified and competent people in positions across the firm increases. The SNG Grant Thornton Mobility Programme is designed to provide staff the opportunity to gain valuable experience in the global village through secondments to GT member firms across the globe. This serves both the firm as a preserving tool and employee's individual wish for career development.

The GM programme is aimed at enabling employees assigned to benefit from these opportunities, attract quality staff, promote knowledge sharing and identification of best practice from network firms and implementation locally, lower talent acquisition costs and build stronger leadership teams.

We believe that with a strong global mobility program we are able to leverage on our employee base to achieve our strategic goals while shifting resources where they're most suited.

Our graduate programme

SNG Grant Thornton is a registered SAICA training office which offers a three year SAICA training programme to graduates who aspire to be chartered accountants.

Our environment is supportive and will challenge you to become an astute professional at the end of your training programme. As such, we recruit exceptional individuals who will contribute to the firm in delivering quality services to our clients. You will be allocated a mentor when joining the firm who will be available to mentor you during the duration of your training programme.

You need to take responsibility for your career progression and be intentional about your development. We are looking for game changers, shape shifters and graduates who will take the responsibility to own their growth from day one. Our graduate recruits (trainee accountants) are exposed to a wide range of clients in different industries. This allows trainee accountants to have varied experience once they complete their training programme.

You could be part of SNG Grant Thornton by submitting your application to us. Applicants can submit their applications online by visiting our website, www.grantthornton.co.za/Careers/.
